

Then Shall the Righteous Shine Forth (Felix Mendelssohn)

Then, then shall the righteous shine forth as the sun in their heavenly Father's realm,

Shine forth as the sun in their heavenly Father's realm.

Then shall the righteous shine forth in their heavenly Fathers realm,

As the sun, as the sun in their heavenly Father's realm.

Joy on their heads shall be for everlasting, joy on their heads shall be for everlasting,

And all sorrow and mourning shall flee away, shall flee away forever.

Then, then shall the righteous shine forth as the sun in their heavenly Father's realm,

Shine forth, shine, in their heavenly Father's realm.

Shine forth as the sun in their heavenly Father's realm,

Then shall the righteous shine in their heavenly Fathers realm.
